ABOUT THE SPECIAL NATIONAL CONFERENCE

A Special National Conference (SNC) is a virtual conference that is held by conference call and webinar. The SNC allows chapter delegates to share information with one another and to conduct the business of the Society. Every chapter must have at least one representative attend the SNC.

Mortar Board held its first virtual Special National Conference in April 2012, and it was very successful. It placed governance (the most important issues facing Mortar Board nationally) squarely in front of all chapter members and allowed for meaningful discussion by seasoned chapter leaders.

The SNC has been held every January since 2013, and the 2018 SNC will be our seventh one! At least one official delegate from each chapter "attends" the virtual meeting, and it's really interesting and fun, especially if more than one member from each chapter participates.

Topics related to chapter programming will be on the agenda, and the idea-sharing is vigorous. Come prepared to share and to listen!

PROPOSED AMENDMENTS TO THE BYLAWS

AMENDMENT 1

Article IV National Leadership
Section 4 – National Office
Section 4.2

Action proposed: Delete the words lined out:

Section 4.2 - The National Office shall perform the daily functions necessary to maintain the Society in accordance with these *Bylaws*. The executive director shall be hired by the National Council ~~and the Mortar Board National Foundation Fund~~ as the chief officer of the National Office. The executive director shall hire and supervise staff. The duties of the staff shall be outlined in the job description of each National Office staff member.

Reason: The Mortar Board National Foundation supports the operations of Mortar Board, Inc. in many other ways, but it does not hire or employ the executive director. This language is from a time when the foundation paid part of the salary of the executive director.

AMENDMENT 2

Article VI Chapters
Section 1 – Collegiate Chapters
Section 1.2

Action proposed: Modify the bolded wording by adding the underlined wording:

Section 1.2 - The minimum number of members in a collegiate chapter shall be 15, or 10% of the student body with junior standing, whichever is less. The maximum number of members of a collegiate chapter **shall be 50 members or 1.5% of the student body with junior standing, whichever is greater, unless a greater maximum number is allowed by the National Office.**

Reason: In some settings, the chapter may need to be larger than 1.5% of the junior class to be “right-sized” for the campus and still selective of the top scholar-servant-leaders on campus. The National Office and section coordinator will work with the chapter to set an appropriate maximum.

Examples:

Junior class of 3,000

1.5% is 45

Chapter could take up to 50, but if needed to be right-sized for the campus, the National Office would permit the chapter to take a number greater than 50.

Junior class of 300

1.5% is 5

Chapter could take up to 50, but should stop there.

AMENDMENT 3

Article VI Chapters
Section 1 – Collegiate Chapters
Selection
Section 1.4

Action proposed: Revise the entire section

from this: Section 1.4 - Any school which is administratively a part of another may consider for membership qualified students who are engaged in academic programs in both schools.

to this: Section 1.4 – All eligible students enrolled at a campus that has no chapter and that is administratively controlled by another campus may be considered for membership by the chapter at the controlling campus so long as a viable means for their active participation in the chapter exists.

Reason: Whenever possible, chapters should consider for membership students at “regional” campuses who deserve the honor of membership. This restatement makes it clear that it is the chapter at the controlling campus that makes the judgment about considering students from a “regional” campus.

AMENDMENT 4

Article VI Chapters
Section 1 – Collegiate Chapters
Officers
Section 1.27. B.

Action proposed: Insert the bolded words:

Section 1.27. B) **Unless the chapter’s bylaws indicate that another officer should assume these responsibilities,** the vice president shall preside and perform the duties of the office of the president in the case of the **temporary** absence or disability of the president.

Reason: This addition will correct a conflict with a later subsection (in next amendment) that mandates that an officer who is permanently absent be replaced by election.

AMENDMENT 5

Article VI Chapters
Section 1 – Collegiate Chapters
Officer Dismissal
Section 1.30

Action proposed: Revise the entire section

from this: Section 1.30 - In the case of a chapter officer resignation or other permanent vacancy, the chapter shall

elect a new officer following election procedures as established by the National Council.

to this: Section 1.30 – If the chapter’s bylaws do not indicate a succession plan, the chapter, as soon as possible, shall elect a successor to fill a permanently vacant office.

Reason: This section makes it clear that a new officer must be elected if there is a permanent vacancy; but if the chapter’s bylaws specify a succession plan, these should be followed. Many chapters have dithered in filling vacancies, and this slows down chapter operations alarmingly.

AMENDMENT 6

Article VI Chapters

Section 1.22, Minimum Standards

Action Proposed: In the last paragraph, delete the words lined out:

Successful chapters will go beyond the minimum list above. The Mortar Board chapter operational handbooks and guides include recommendations for chapter development. Chapter reports, reporting deadlines for membership, chapter operations, and maintenance of tax exempt status will be established by the National Council. ~~The listing of the required reports and optional reports is published in the Mortar Board chapter operational handbooks and guides.~~

Reason: The deleted words are superfluous given that report guidelines and deadlines are supplied in many formats, but often these are not in printed handbooks. Instead they are found in *Leading Leaders* e-newsletter and on the Mortar Board website at www.mortarboard.org/Collegiate/Reports/

Why does Mortar Board matter?

For 100 years, Mortar Board has been the preeminent honor society comprised of scholar-leaders across the country. Although the activities that chapter members participate in vary, the beauty of Mortar Board is that all of its members are united by a set of shared values – scholarship, leadership, and service. Mortar Board matters because these values matter. The mission to pursue these values is a commitment that is formalized as we are

initiated and one that does not end upon graduation. Scholarship, leadership, and service will continue to matter years beyond a collegiate experience, because these values are the guiding framework to pursuing professional careers and personal lives that embody what we first began as Mortar Board members. Mortar Board matters because of these values – we are the honor society that will inspire these values into countless generations; and scholarship, leadership, and service will always bond us together.

Dr. Nazem’s service to Mortar Board:

- Section coordinator, Michigan, 2005-present
- Outstanding Section Coordinator, 2017
- Strategic Plan Steering Committee, 2010-2013

Why does Mortar Board matter?

As we prepare for the upcoming Centennial Celebration this year, we must not only think about the future of Mortar Board, but also how we arrived upon this momentous occasion. One hundred years ago, Mortar Board began with a group of women with similar values. Today, with more than 250,000 alumni of Mortar Board, I am proud to say that we are still an organization that promotes the Advancement of Women in addition to our Ideals of Scholarship, Leadership and Service.

Why does Mortar Board matter? I believe that although we may live in a time of uncertainty, Mortar Board has provided constant values for an entire century. Each of us may come from a different background, but we can all find a common connection if we look at what Mortar Board stands for. Will the Ideals stand for another 100 years? I sure do believe so!

Section 1 - Collegiate Membership

Membership Qualifications

Section 1.1 - Members are selected by the collegiate chapters, annually according to the criteria stated in these *Bylaws* and Mortar Board chapter operational handbooks and guides.

Section 1.2 - Qualifications for active membership shall be distinguished ability and achievement in scholarship, leadership and service, and a commitment to promote the goals and purposes of Mortar Board, Inc., hereinafter referred to as the Society.

Section 1.3 - A candidate for collegiate membership must be in good standing and duly enrolled in the university or college of the selecting chapter.

Section 1.4 - Assuring length of collegiate service. The candidate must be at least in her/his junior year or the equivalent status in units or hours, depending upon the institution or the candidate's accelerated or prolonged curriculum. The intended date for the candidate's graduation must be no sooner than one semester or one quarter following initiation, summer school excluded.

Section 1.5 - The scholarship requirements for collegiate membership shall be the minimum of:

- A) the grade point average representing the upper 35% of the junior class or;

- B) a straight B average, whichever is higher, on any given campus.

With the annual consent of the National Office, a chapter may use a higher scholarship standard.

Section 1.6 - If this scholarship requirement is not feasible on a particular campus because of the initiation of a pass/fail system, no grade system, etc., a special written request for an appropriate standard may be made to the National Office. The request shall be submitted by the chapter president and shall contain the signature of an advisor.

Section 1.7 - A candidate's cumulative average for all terms preceding the selection shall be the average used in determining initiation eligibility. All possible information concerning previous college records should be obtained for transfer students.

Section 1.8 - All those students eligible shall be given the opportunity to be considered for membership. No student shall be discriminated against on the basis of race, ethnic origin, creed, age, sex, affiliation, marital status, sexual orientation, physical challenge, gender expression, or any other affiliation or protected class.

Membership Fees

Section 1.9

- A) Membership fee. Each new member shall pay a membership fee before her/his initiation. The National Council shall review the amount of the membership fee at least once a year. The membership fee entitles the new member to serve with the chapter for one academic year and to receive a one-year subscription to the *Mortar Board Forum*, a membership certificate, and a membership pin, which is known as the official badge.
- B) Continuing collegiate member fee. A collegiate member continuing to participate with her/his collegiate chapter after the first year shall, annually, pay a continuing collegiate member fee. The continuing collegiate member fee entitles the member to serve with the chapter for one academic year and to receive a one-year subscription to the Mortar Board Forum. The National Council shall review the amount of the continuing collegiate member fee at least once a year.

Participation

Section 1.10

- A) Deferral of active service. A new collegiate member may defer service with her/his collegiate chapter only if adequate justification for deferral is approved by the chapter's leadership. The new member must still pay the membership fee before her/his class' initiation and must commence an active year of service with the chapter within two years. Adequate justification includes, but is not limited to,

study abroad, changed academic plans, and circumstances beyond the new member's control.

- B) Participation. Membership in the Society requires active involvement; therefore for a collegiate member to remain in good standing in the chapter, she or he must meet the requirements for participation established by the chapter and be in good standing with the institution with which the chapter is affiliated. If a penalty of the participation policy includes dismissal, the chapter must follow the dismissal procedures outlined in these *Bylaws*.
- C) Continuing senior. A member may be an active collegiate member past the first year if she/he pays the continuing senior fees and any local dues and:
 - until she/he has earned the first baccalaureate degree or
 - if she/he remains enrolled for a subsequent baccalaureate degree and until it has been awarded.
- D) Mid year graduation. Though having graduated with a baccalaureate degree mid year, a member who remains enrolled at the same institution in additional undergraduate or graduate work may complete her/his active year of collegiate membership.
- E) Enrollment necessary. One no longer enrolled is not eligible to serve as a collegiate member.

Section 2 - Alumni Membership

Section 2.1 - An alumni member is one who, by reason of graduation from a baccalaureate degree program, or other reasons, is no longer a collegiate member.

Section 2.2 - An alumni member of a local honor society, which later becomes a chapter of Mortar Board, may become an alumni member of Mortar Board at any time by notifying the National Office and submitting the required fees. Formal initiation by a collegiate chapter is optional. If formal initiation is not performed by the member's chapter, the initiating chapter shall send the member's information to the member's chapter.

Section 3 - Honorary Membership

Section 3.1 - Honorary membership, being the highest honor given by the Society, may be conferred by a collegiate chapter or the National Council only upon a person who is not a college student, who has earned a baccalaureate degree, and who has made a distinguished contribution toward the advancement of the goals and purpose of the Society. An alumni chapter may recommend a person for honorary membership, but honorary membership may be conferred only by a collegiate chapter or the National Council. The National Council shall establish guidelines for the selection of honorary members.

Section 3.2 - The chapter's nomination(s) for honorary membership must be supported by the majority of the collegiate chapter membership. This request must be approved by the National Office prior to tapping.

Section 4 - Resignation and Dismissal from Membership

Section 4.1 - An individual member of the Society may resign by notifying the chapter president in writing of his/her intention to resign. The chapter president must then send written notice of the resignation to the advisor(s) and the National Office. The member will be asked to return his/her pin and certificate to the National Office and the member's name will be stricken from the national roll. Membership fees are not refundable.

Section 4.2 - An individual member of the Society may be dismissed as provided herein. Initiation of dismissal procedures must occur no later than six weeks prior to the last day of classes. Cases warranting action after this time will be decided at the discretion of the national vice president. After consultation with the chapter's advisors and the National Office, a collegiate chapter shall have the authority to dismiss individual members pursuant to procedures as provided herein. The chapter president must then send written notice of the dismissal of a collegiate member to the advisor(s) and the National Office. The member will be asked to return his/her pin and certificate to the National Office and the member's name shall be stricken from the national roll. Membership fees are not refundable.

Section 4.3 - In all cases where a chapter wishes to dismiss a member, the following procedure should be implemented by the chapter:

- A) The chapter shall obtain documented evidence of the following and submit copies of the same to the National Office:
 1. Chapter participation and dismissal policy as adopted by and made known to all current chapter members;
