## JUNE 2015

### **CONGRATULATIONS ON MORTAR BOARD!**

Hearty congratulations on being invited to membership in Mortar Board. Ours is the premier national honor society for college seniors. Your selection as a member is a sign of more than just good grades, more than just one type of leadership or service. Your membership means that you present a comprehensive package to the world: a true love of learning, earnest leadership, and profound interest in service. Scholarship, leadership, service—all three. Mortar Board is more.

Mortar Board expects you to give in leadership and service the best that is within you. You, along with the other members of your chapter, are now poised to serve your alma mater through Mortar Board. Get acquainted with one another. Alongside them, do good things for your campus, and Mortar Board will become a capstone experience that propels you with confidence beyond college. You make Mortar Board more.
