Supporting Chapters During Membership Selection

Spring is a busy time for our seniors and one of the most exciting for our chapters. Your chapter will be honoring new members by selecting them for membership. Help your chapter excel this spring by:

1. Reviewing the [Membership Selection](#) and [Initiation Handbook](#).
2. Attending the selection meeting.
3. [Viewing member payment updates online](#).
4. Celebrating the new chapter at initiation.

The purpose of the SNC is threefold. 1) Report on your chapter's progress this year, 2) introduce the slate of officers for the National Council and 3) discuss proposed amendments to the *Bylaws*. The slate and amendments are available for your review in the [Guide to Governance](#). This is a virtual conference and you can participate from any location. Each chapter is required to have one member in attendance and advisors are encouraged to join but cannot stand in as the chapter's official delegate, [register now](#).

The chapter has two weeks after the SNC to cast a ballot on the issues and candidates presented. Each chapter eligible to vote may cast one vote. To be eligible to vote on the issues raised at the SNC, a chapter must have cleared its accounts for any amount due in 2018. The deadline to clear accounts is February 8.
