ADVISOR'S QUARTERLY

Thoughts for advisors

Advisor's Quarterly comes to advisors of Mortar Board chapters from the Mortar Board National Office. Its goal is to wrap you into the advisor network, support you with ideas and info to make Mortar Board the best honor society on your campus, and thank you for the capstone experience you provide members of Mortar Board.

Calling all advisors! Add to your professional portfolio!

Become a Certified Organization Advisor. Attend Mortar Board's signature Advisor Development program, LEAD (Leadership Excellence and Advisor Development) virtually on July 22 and 23, 2020. The program is offered without charge thanks to the sponsorship of the Frances Aicher Lewis Endowment and the Steadman Endowment in the Mortar Board National Foundation.

LEAD is a two-afternoon program of best practices and interesting curriculum related to student organization advising and specifically, advising Mortar Board chapters. The designation of COA (Certified Organization Advisor) is awarded to those advisors who complete the 7 hours of instruction!
