## Take the Mortar Board Member Needs Survey and Win Big!

Over the past year, the Mortar Board Member Needs Committee has pondered the question "What do our members want from Mortar Board?" To find out, we developed a survey for all members, both collegiate and alumni.

The purpose of the survey is to gain useful insight into what our members would like Mortar Board to focus on moving forward. How can Mortar Board best serve you? What support can Mortar Board offer you in your career, goals and learning? Are you looking for networking opportunities or ways to give back?

The survey is anonymous and we estimate a completion time of around five minutes. After submitting the survey, you will have the opportunity to enter your information into a drawing to receive a complimentary 1-year Mortar Board Alumni Association (MBAA) membership and/or Mortar Board "swag." Note: To enter the drawing, you will click on a new link that is not connected to the survey, so your response remains confidential.

## Honor Your Mentor Campaign

This campaign will honor special mentors in our lives who have boosted us to greater heights than we could have achieved on our own.

They indulged us, encouraged us to persist, inspired us, and celebrated what we achieved. Now is the time to celebrate them! Mortar Board is happy to help you do so.

Make a gift to the Mortar Board National Foundation and we will honor your mentor in several ways. We will be highlighting these special relationships with alumni spotlights on social media, in the *Forum* and in other exciting ways.

Your mentors need not be Mortar Boards for you to honor them.
