Why Mortar Board?

We need your help! We are creating a video featuring short answers on what makes Mortar Board special to share with potential new members and other partners. Please tell us "Why Mortar Board" is special! (Examples: "I love Mortar Board because of the strong community!" "Mortar Board has given me amazing service opportunities!") Please consider sharing a one-sentence message with either a photo (a current photo or from time as a collegiate member or volunteer) OR by recording a quick video answering the question "Why Mortar Board?"

Alumni Awards: Nominate! Nominate! Nominate!

As the National Council encourages collegiate chapters to increase campus-based nominations for membership, we encourage our alumni to also step forward and embrace nominations. We receive very few nominations for our alumni awards. Why? Busy schedules? Lack of awareness? Disinterest? We urge you to look past these possibilities and take it upon yourself to nominate Mortar Board alumni that you know NOW for

alumni awards. Alumni Awards are due by
March 15!
