## Mortar Board National Conference Returns to Columbus

Registration Available April 1

### Region Coordinator Applications Due May 1

We are looking to expand the Region Coordinator (formerly Section Coordinator) program! Mortar Board alumni provide valuable time and energy as volunteers of the Society, and the Region Coordinator role is one of our most prominent and important roles, serving in a National Leader capacity as part of the society. We currently have two to three coordinators per region, but we'd love to have up to four! If you know someone who would be a great Region Coordinator, or if you would like to apply yourself, visit our website for more information. Nominate someone by April 15, or apply by May 1.
