Mortar Board National Conference - It's a Wrap!

[See pictures from the conference!](#)

The 2022 Mortar Board National Conference was back in-person in Little Rock, Arkansas this past August, and what a wonderful celebration it was. In addition to honoring National Citation Award winner, Carlotta Walls LaNier, we welcomed three new members to the National Council, provided training to collegiate members, advisors and section coordinators, and celebrated the history and rituals of Mortar Board. It was great to (re)connect! Check out the Mortar Board website for pictures and testimonials from attendees!

The MBAA welcomes you to discuss Little Rock Nine member, Carlotta Walls LaNier's book: *A Mighty Long Way, My Journey to Little Rock Central High School*. National Council Member Bre'Una Keeton will lead the discussion.
