

PARTNER

PROSPECTUS

* Hello!

I have the honor of serving as the Executive Director for Mortar Board, a national honor society recognizing college seniors for their exemplary scholarship, leadership, and service. Founded in 1918, Mortar Board has chartered 235 collegiate chapters nationwide. Mortar Board invites 3,500 new members annually across all disciplines to join the Society and has a thriving alumni network of more than 300,000 high-achieving members.

Mortar Board has launched a Corporate Partner Program to serve our society's members while providing reciprocal benefits to the corporate partner. With the launch of this program, the Society has identified:

- Companies/industries that offer opportunities for a mutually beneficial relationship that either:
 - Share a commitment to member benefits (i.e. insurance, financial services, workforce development), or
 - Share a commitment to Mortar Board's values (scholarship, leadership, service, advancement of the status of women, and diversity, equity, inclusion, and belonging)
- 5 ways to partner with Mortar Board including exclusive partnerships, affinity programs, advertising opportunities, conference sponsorship, and event sponsorship.

I know this would be a valuable partnership for you to explore, gaining exposure amongst the country's best and brightest. On behalf of Mortar Board, I welcome the opportunity to discuss developing a valuable partnership to benefit our members and you!

In scholarship, leadership, and service,

Kirsten F. Fox, PhD
