

# MORTAR BOARD

NATIONAL FOUNDATION

## Corporate Matching

Interested in Corporate matching, but don't know where to begin?

1. Make your donation to Mortar Board.
2. Check with your company to see if they have matching gift policies. If so, they typically have a form for you to fill out.
3. Submit the match request form to your employer. You may be required to enter the Mortar Board National Foundation tax ID / EIN: 35-6043585.
4. Company reviews the request and matches the donation (funds may be received electronically or via check).
5. Once funds are received, we will alert you that we've received funds via your employer's matching gift program.

Please contact us at [give@mortarboard.org](mailto:give@mortarboard.org) if you have any questions about corporate matching.
