Region Coordinator Applications Due May 1

Applications for Region Coordinator (formerly Section Coordinator) are due May 1. Region Coordinators (RCs) work with chapters, either individually, as a region, or in collaboration with other regions, to provide guidance, support, and assistance for campus-based recruitment and outreach initiatives to generate more interest in Mortar Board and to increase membership. RCs work as a team and with other regional teams to divide training sessions and facilitations across chapters in areas such as: president training, recruitment and selection, onboarding new officers, and new advisor training.

If you know of someone who would be an amazing RC, [nominate them here](#). If you'd like to apply, [learn more and apply](#) by May 1.
