Resources

It's OK to start small. Small impacts can grow into big influences.

Now What... Practice Humility

Leadership is not about being the loudest in the room, it's about influencing and uplifting others around you.

Ways to Model Humility in Leadership:

- 🤝 Prioritize Collaboration over Control
- 🏆 Give Credit Generously and Often
- 👉 Own your Mistakes Publicly
- 🎉 Celebrate Team Wins, Big and Small
- 💬 Connect with Others as People First, not just Roles

"Sometimes you have to take a break from being the kind of boss that's always trying to teach people things. Sometimes you just have to be the boss of dancing."

Now What... Inspire Others

Be Consistent and Reliable

Show up fully, be present, and give your best to everything you commit to.

Lead with Respect

Treat everyone with dignity and avoid ego or defensiveness. Your mindset is what creates an environment.

Model the Behavior You Want to See

You are constantly setting an example, even when you do not realize it. Be intentional and help others grow around you.

QUESTION 🤔

Can you guys think of other ways to inspire those around you (workplace, community groups, etc...)?

Now What... Stay Curious

Leadership Is Something You Embody. You do not Need a Title to be a Leader. Your Mindset and Actions Speak Louder.

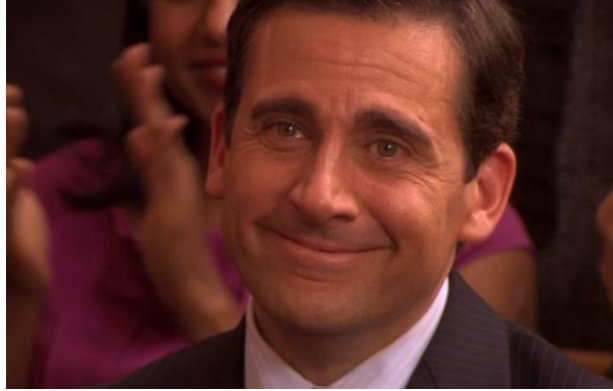

How to Stay Curious:

- 🔍 Keep Learning! Never let a Role Define your Limits
- 🤝 Volunteer for the "Hard Stuff"
- 💡 Bring Ideas to the Table, Even if it's "Not Your Job"
- 💖 Stay Involved in Causes you Care About
- 🌱 Encourage Others to Grow, Do Not Gatekeep
- 🧑‍🤝‍🧑 Value Teamwork and Collaboration
- 👏 Show Up for Yourself and Others
