Reactivated and Rising: JSU's Comeback Story

In **one year**, Jackson State reignited its chapter—**growing from 0 to 60+** members and earning the **2025 Most Improved Chapter Award**.

“**Reactivating** our chapter has **renewed pride** and **purpose** on campus, **empowering student leaders** to serve in meaningful ways. Attendance at the 2024 National Conference, **made possible by an Adopt a Chapter grant**, gave us fresh ideas and vision that strengthened our foundation, **fueled our momentum**, and ultimately **led to the Freeman & Fox Most Improved Chapter Award**.”
